~~An act relating to the Montebello Unified School District, and making an appropriation therefor. An act to add Section 42238.455 to the Education Code, relating to school finance.~~

LEGISLATIVE COUNSEL'S DIGEST

AB 1084, as amended, Calderon. ~~Montebello Unified School District: safety and security programs~~ School finance: revenue limit: increase.

*Existing law provides for the apportionment of funds to each school district by the Superintendent of Public Instruction, based in part on average daily attendance. Existing law sets forth a method for computing the average daily attendance of pupils for this purpose.*

*This bill would require a unified school district with second period average daily attendance in grades 9 to 12, inclusive, that is greater than 25% of the second period average daily attendance in kindergarten and grades 1 to 12, inclusive, to be entitled to an increase in the amount apportioned to the district by the Superintendent of Public Instruction. The bill would require the district to reduce its average daily attendance calculation by a prescribed amount if the district receives the increased apportionment.*

~~Under existing law, each school district and county office of education is responsible for the overall development of comprehensive school safety plans for its schools operating any kindergarten and any of grades 1 to 12, inclusive, and the governing board of a school district, on behalf of one or more schools within the district that have developed a school safety plan, may apply to the Superintendent of Public Instruction for a grant to implement school safety plans.~~

~~This bill would appropriate \$100,000 from the General Fund to the Superintendent of Public Instruction for allocation to the Montebello Unified School District for development and implementation of school safety and security programs.~~

~~The funds appropriated by this bill would be applied toward the minimum funding requirements for school districts and community college districts imposed by Section 8 of Article XVI of the California Constitution.~~

Vote: majority. Appropriation: yes *no*. Fiscal committee: yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*
